

(a) Policy intervention

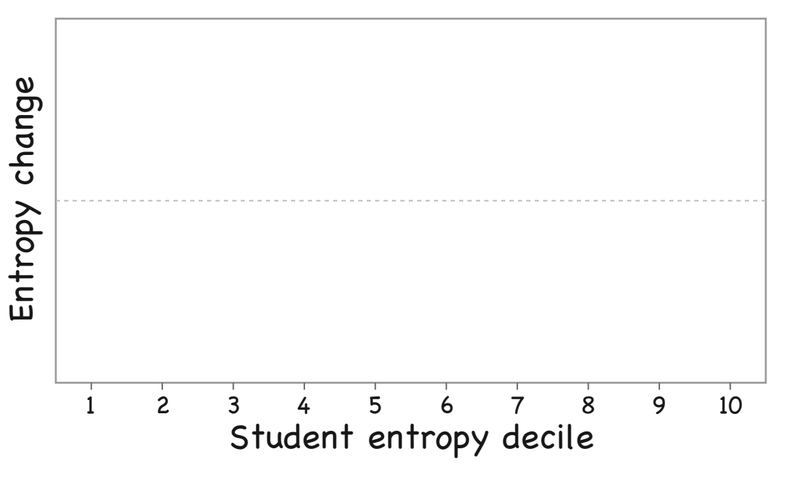

(b) Entropy along task execution

(c) Entropy distribution

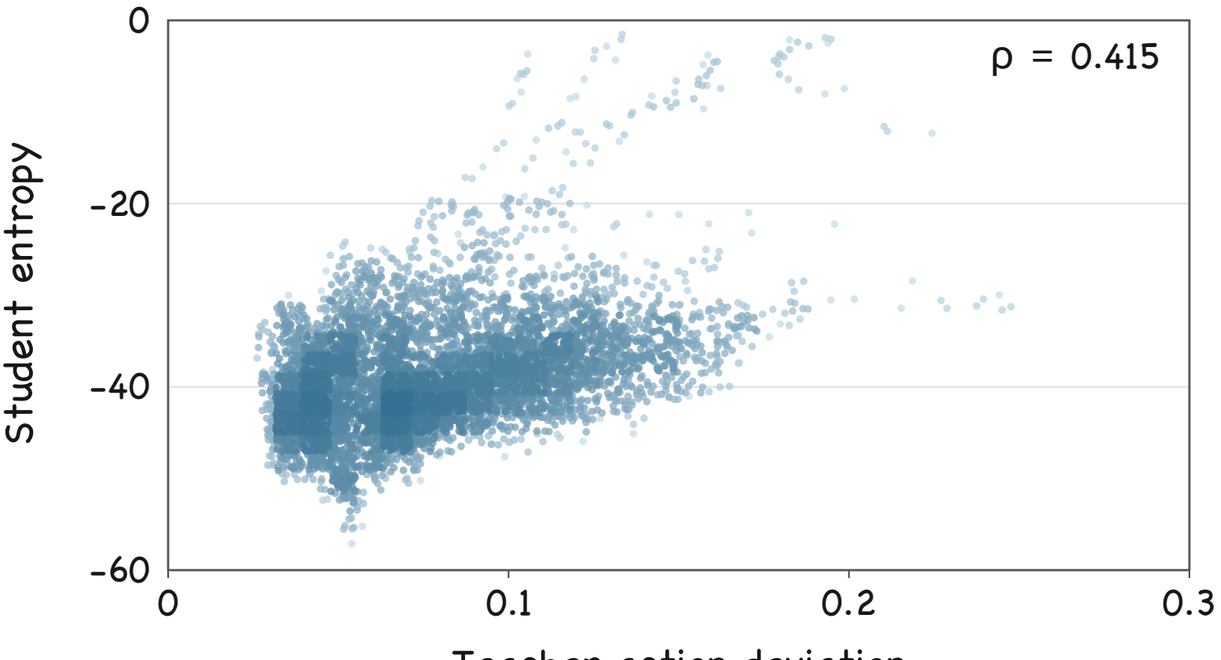

(d) Teacher deviation

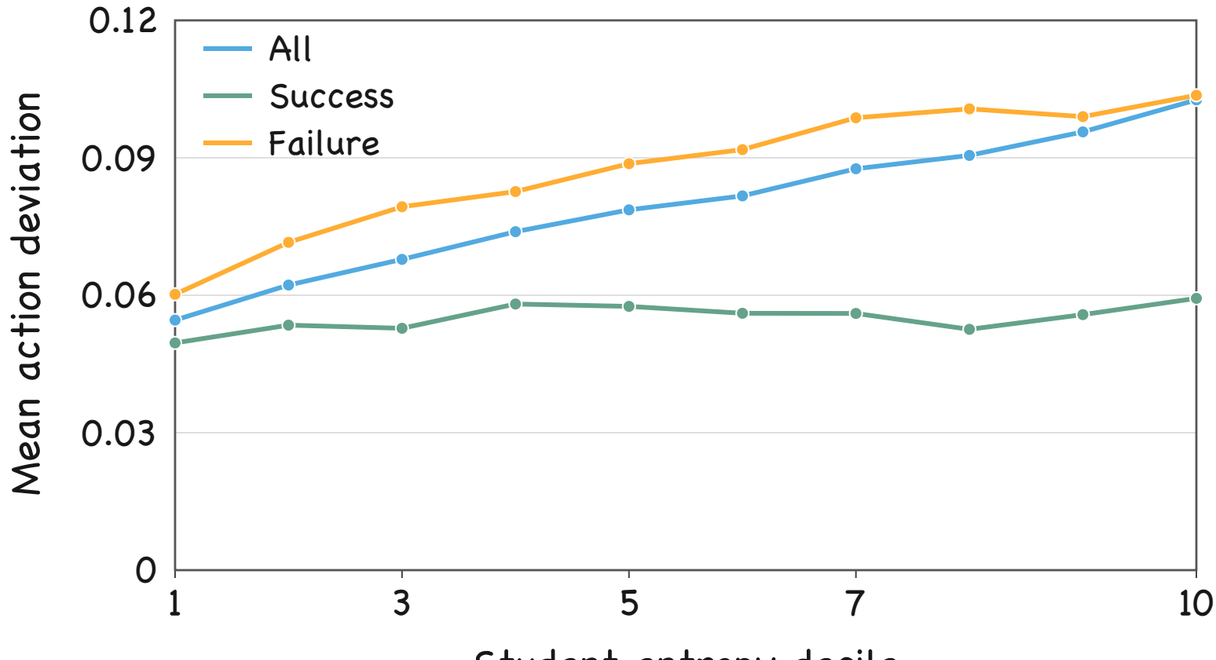

(e) Entropy change

Teacher deviation · 32 trajectories / 5,725 executed action positions

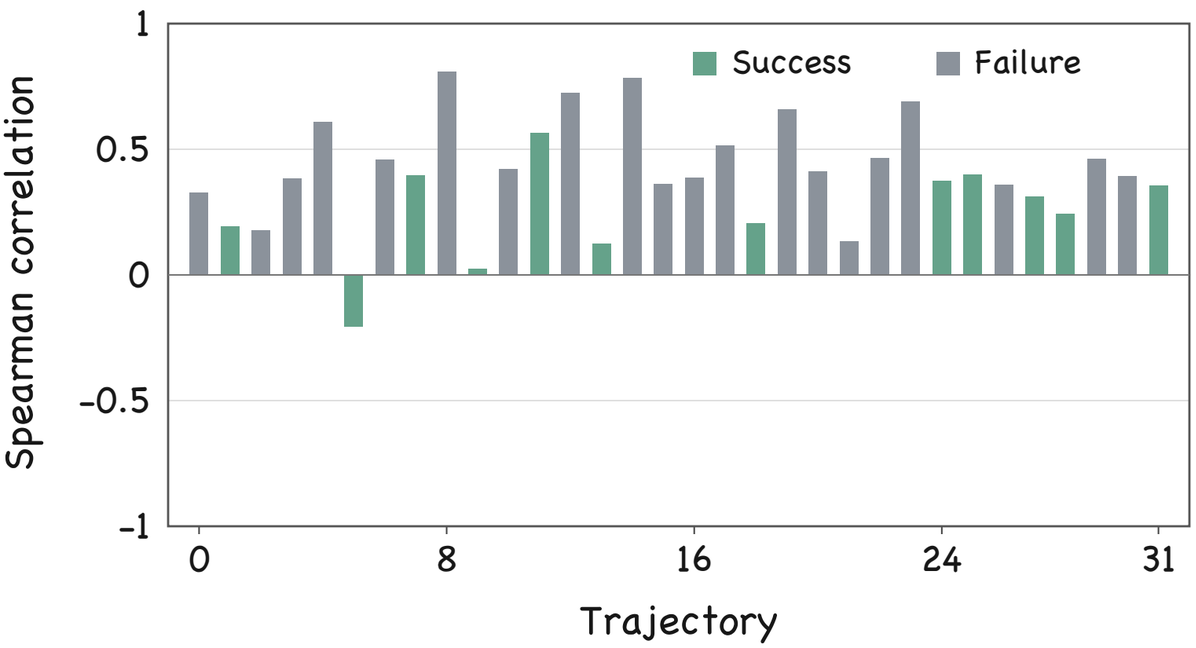

(a) Density

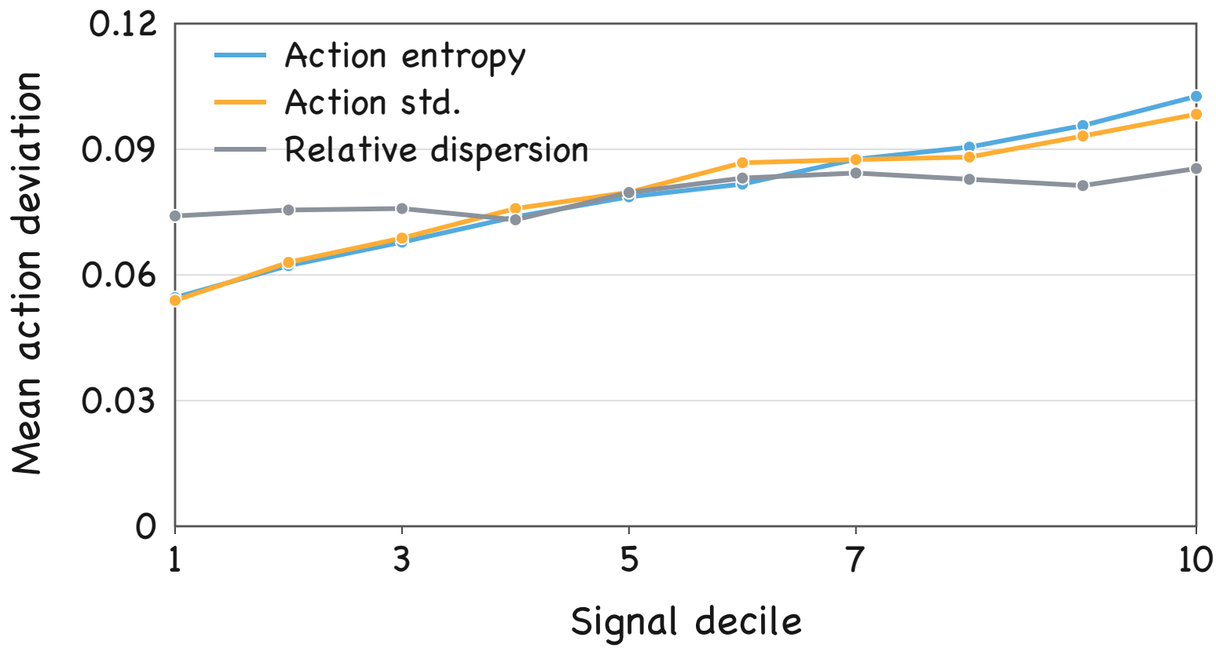

(b) Entropy groups

(c) Within each trajectory

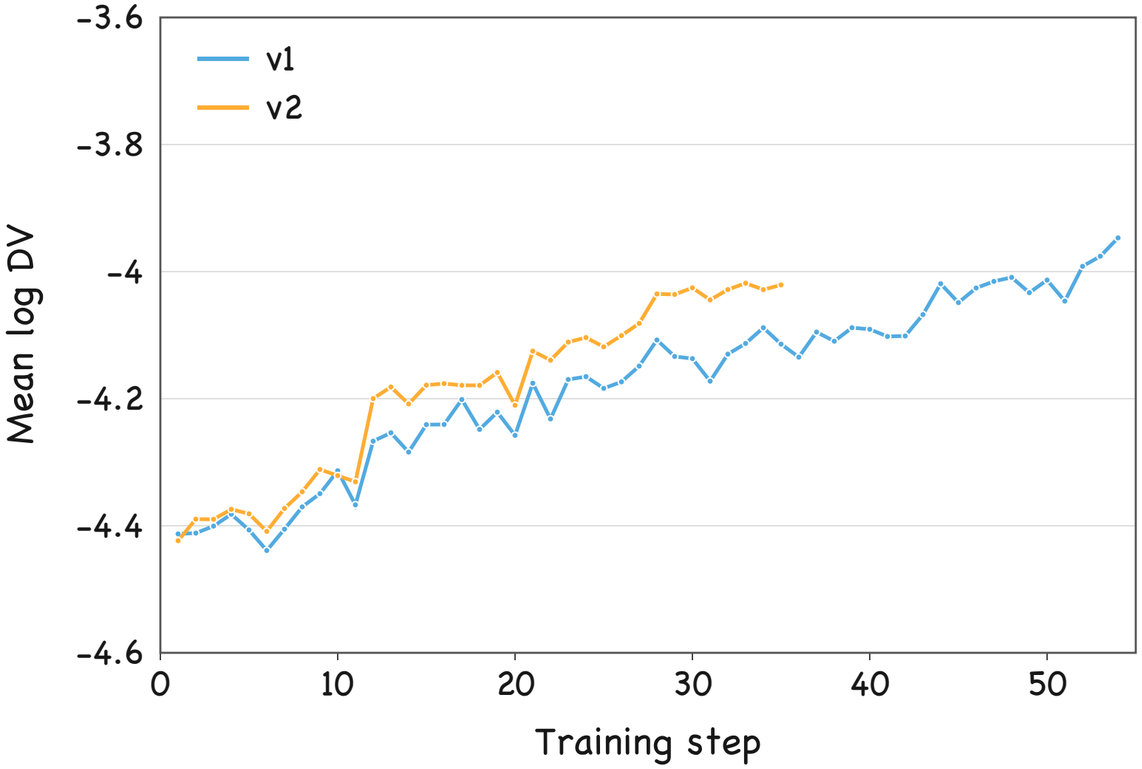

(d) Signal definitions

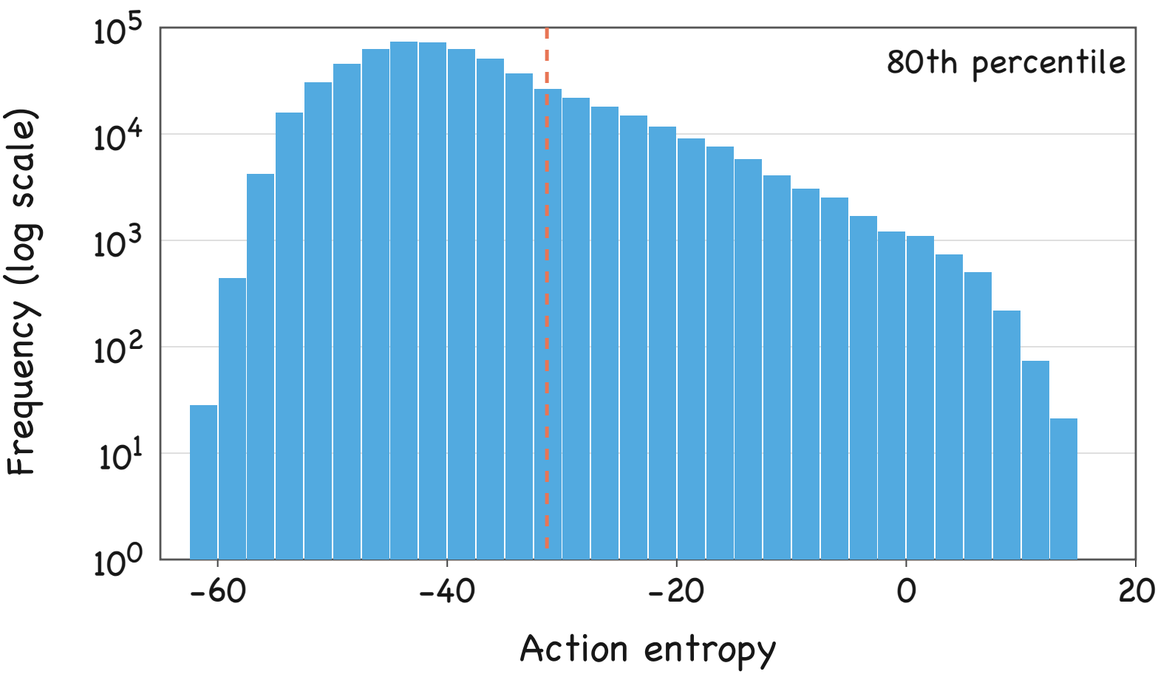

Training dynamics and task-level distributions

(a) Existing DVCA training logs

(b) All 46 tasks

(c) Per-task entropy
