## Action Entropy: Action-Level Uncertainty

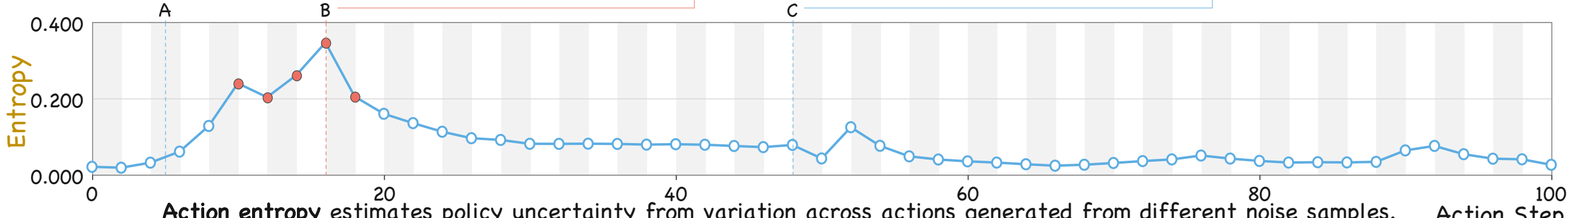

Free-space motion
Fewer constraints

**Grasp alignment**
How to align?

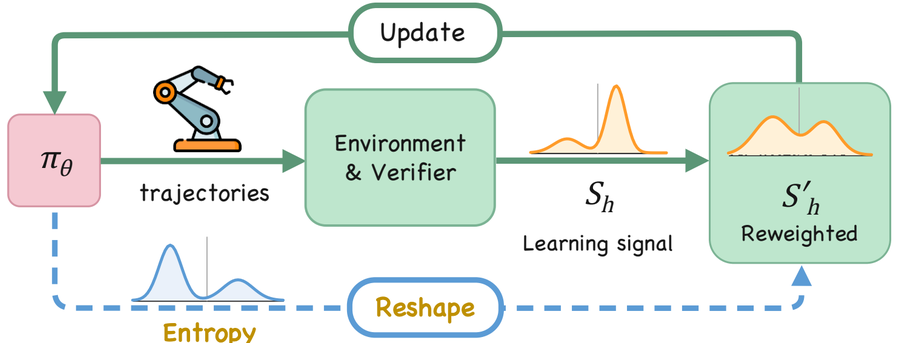

Grippers aligned
Ready to grasp

**Action entropy** estimates policy uncertainty from variation across actions generated from different noise samples.

## UACA for Post-Training

Prioritize **high-uncertainty actions** during learning.
Plug-and-play **credit assignment** for online post-training methods.

## Action Entropy: Action-Level Uncertainty

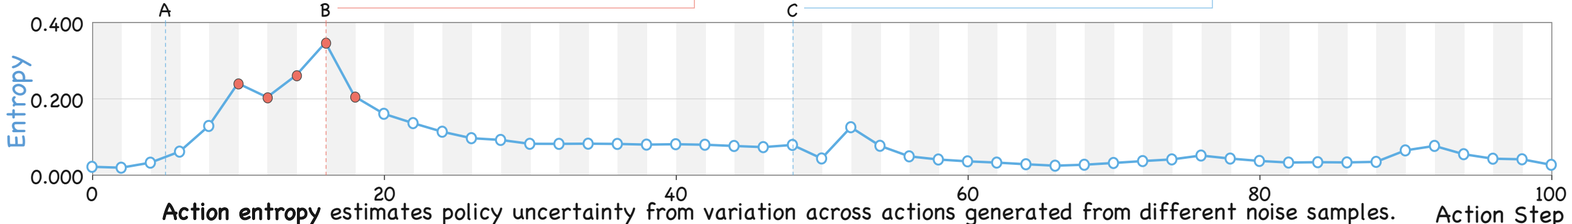

Free-space motion
Fewer constraints
